RE: Mora County  
2020 CDBG Project  
EMS Facility Construction – Courthouse Administrative Complex Site

Greetings:

The County of Mora, New Mexico, has received Community Development Block Grant funds (CDBG) for the construction of an EMS Facility to be located within the grounds of the Mora County Courthouse Administrative Complex site.

The EMS Facility building will include construction of a 50' X 66' foot station, including two (2) ambulance bays, and a living area, including an office, kitchen, training room, two (2) bedrooms, and two (2) bathrooms with showers.

The proposed project will be located within the community of Mora, New Mexico, latitude 35.9742 and longitude -105.3300, on Courthouse Drive off New Mexico State Road 518. The project will benefit the residents of Mora County by constructing an effective housing unit for the Mora EMS staff and equipment. The project will not be phased.

In accordance with environmental requirements of 24 CFR part 58 and the National Environmental Policy Act of 1969 (NEPA), the appropriate agencies must be consulted for their comments/review. Your comments can be as simple as checking off the appropriate box below, signing your name or placing your stamp, and then returning your comments as follows:

- By e-mail to [alexta721@hotmail.com](mailto:alexta721@hotmail.com)
- By mail to JJ Consulting LLC, 721 Coronado Drive, Las Vegas, New Mexico 87701

Thank you for your cooperation and for your prompt response.

Respectfully,

George Trujillo, County Commission Chairman

## Mora County Administrative Complex

The existing complex as the Sheriff's office, a senior center, library and the main administrative building. The main building features numerous county services in the north wing. The south part of the building is a vacant shell with no interior built out. It is in the vacant south portion that the county would locate all the work in this proposal.
